# Why Group Benefits?

Government health plans can provide coverage for such basic medical expenses as hospital charges and doctors' fees. In case of disability, government plans (such as Employment Insurance, Canada/Quebec Pension Plan, Workers' Compensation Act, etc.) may provide some financial assistance.

But government plans provide only basic coverage. Medical expenses or a disability can create financial hardship for you and your family.

Private health care and disability programs supplement government plans and can provide benefits not available through any government plan, providing security for you and your family when you need it most.

## **Your Employer's Representative**

Your employer is responsible for ensuring that all employees are covered for the Benefits to which they are entitled by reporting all new enrolments, terminations, changes, etc., and keeping all records up to date.

Your Employer's Representative is \_\_\_\_\_

*Please record the name of your representative and the contact number in the space provided.*

To ensure that coverage is kept up to date for yourself and your dependents, it is vital that you report any changes to your employer. Such changes could include:

## ***Date Costs are Incurred***

### ***Date Costs are Incurred***

For supplies that have to be ordered, the expense will be deemed to be incurred on the date the supplies were paid for. Proof of receipt of the supplies is required.

## ***Payment of Extended Health Care and Dental Claims***

### ***Claim Payment***

Once the claim has been processed, Manulife Financial will send a Claim Statement to you.

The top portion of this form outlines the claim or claims made, the amount subtracted to satisfy deductibles, and the benefit percentage used to determine the final payment to be made to you. If you have any questions on the amount, your employer will help explain.

The bottom portion of this form is your claims payment, if applicable. Simply tear along the perforated line, endorse the back of the cheque and you can cash it at any chartered bank or trust company.

# The Claims Process

For paper claim submissions, you should receive settlement of your claim within three weeks from the date of submission to Manulife Financial. If you have not received payment, please contact Manulife Financial.

## ***Co-ordination of Extended Health Care and Dental Care Benefits***

If you or your dependents are covered for similar benefits under another Plan, this information will be taken into account when determining the amount of expenses payable under this Program.

This process is known as Co-ordination of Benefits. It allows for reimbursement of covered medical and dental expenses from all Plans, up to a total of 100% of the actual expense incurred.

Plan means:

- other Group Benefit Programs;
- any other arrangement of coverage for individuals in a group; and
- individual travel insurance plans.

Plan does not include school insurance or Provincial Plans.

## **Order of Benefit Payment**

A variety of circumstances will affect which Plan is considered as the "Primary Carrier" (ie., responsible for making the initial payment toward the eligible expense), and which Plan is considered as the "Secondary Carrier" (ie., responsible for making the payment to cover the remaining eligible expense).

- If the other Plan does not provide for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expense.
- If the other Plan does provide for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.
  - For Claims incurred by you or your Dependent Spouse:

The Plan covering you or your Dependent Spouse as an employee/member pays benefits before the Plan covering you or your Spouse as a dependent.

In situations where you or your Spouse have coverage as an employee/member under more than one Plan, the order of benefit payment will be determined as follows:

- The Plan where the person is covered as an active full-time employee, then
- The Plan where the person is covered as an active part-time employee, then

***Co-ordination of  
Extended Health Care  
and Dental Care  
Benefits***

***Order of Benefit  
Payment***

## The Claims Process

---

- The Plan where the person is covered as a retiree.
- For Claims incurred by your Dependent Child:

The Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

However, if you and your Spouse are separated or divorced, the following order applies:

- The Plan of the parent with custody of the child, then
  - The Plan of the spouse of the parent with custody of the child (i.e., if the parent with custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child), then
  - The Plan of the parent not having custody of the child, then
  - The Plan of the spouse of the parent not having custody of the child (i.e., if the parent without custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child).
- Where you and your spouse share joint custody of the child, the Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.
  - A claim for accidental injury to natural teeth will be determined under Extended Health Care Plans with accidental dental coverage before it is considered under Dental Plans.
  - If the order of benefit payment cannot be determined from the above, the benefits payable under each Plan will be in proportion to the amount that would have been payable if Co-ordination of Benefits did not exist.
  - If the person is also covered under an individual travel insurance plan, benefits will be co-ordinated in accordance with the guidelines provided by the Canadian Life and Health Insurance Association.

### **Submitting a Claim for Co-ordination of Benefits**

To submit a claim when Co-ordination of Benefits applies, refer to the following guidelines:

- As per the Order of Benefit Payment section, determine which Plan is the Primary Carrier and which is the Secondary Carrier.
- Submit all necessary claim forms and original receipts to the Primary Carrier.
- Keep a photocopy of each receipt.

## The Claims Process

- Once your claim has been settled by the Primary Carrier, you will receive a statement outlining how your claim has been handled. Submit this statement along with all necessary claim forms and receipts to the Secondary Carrier for further consideration of payment, if applicable.

***Employee Life  
Insurance - Waiver of  
Premium***

## ***Definition of Totally Disabled***

Totally Disabled means a restriction or lack of ability due to an illness or injury which prevents you from performing the essential duties of any occupation for which you are qualified, or may reasonably become qualified by training, education or experience.

***Employee Life  
Insurance - Totally  
Disabled***

The availability of work will not be considered by Manulife Financial in assessing your disability.

If you must hold a government permit or licence to perform the duties of your job, you will not be considered Totally Disabled solely because your permit or licence has been withdrawn or not renewed. However, if the permit or licence has been withdrawn or not renewed solely for medical reasons, you will be considered to be totally disabled for up to 12 months from the end of the qualifying period.

## ***Entitlement Criteria***

To be entitled to Waiver of Premium, you must meet the following criteria:

- you must be continuously Totally Disabled throughout the Qualifying Period for at least 30 days without interruption. If you cease to be Totally Disabled during the Qualifying Period and then become disabled again within 30 days due to the same or related illness or injury, your Qualifying Period will be extended by the number of days during which you ceased to be Totally Disabled. However, the Qualifying Period cannot be extended by more than 6 months.
- Manulife Financial must receive medical evidence documenting how your illness or injury causes restrictions or lack of ability, such that you are prevented from performing the essential duties of any occupation for which you are qualified, or may reasonably become qualified by training, education or experience
- you must be receiving from a physician, regular, ongoing care and treatment appropriate for your disabling condition, as determined by Manulife Financial

At any time, Manulife Financial may require you to submit to a medical, psychiatric, psychological, functional, educational and/or vocational examination or evaluation by an examiner selected by Manulife Financial.

### **Recurrent Disability**

## **Employee Life Insurance - Recurrent Disability**

Your amount of insurance on which premiums were previously waived will be reinstated.
